

Allsup Fact Sheet

Who We Are

Allsup and its subsidiaries provide nationwide Social Security disability, veterans disability appeal, return to work, and healthcare benefits services for individuals, their employers and insurance carriers. Allsup was founded in 1984 as the first nationwide, non-attorney service helping people receive their Social Security Disability Insurance (SSDI) and Medicare benefits. During this time, Allsup has successfully secured \$21 billion in Social Security disability payments and Medicare benefits for more than 350,000 people.

Our Core Values

Our Services • Disability

Social Security Disability Representation

Allsup has helped more than 350,000 deserving customers obtain their Social Security Disability Insurance (SSDI) benefits. Our 97 percent success rate for customers who complete the SSDI process with us far exceeds the national average reported by the Social Security Administration (SSA). Self-insured companies and insurance carriers refer former employees and policyholders to Allsup for expert SSDI assistance.

Allsup Veterans Disability Appeal Service®

VA-accredited Claims Agents help veterans to receive service-connected disability compensation as quickly and efficiently as possible during the VA appeals process.

Our Services • Healthcare

Allsup Medicare Verification

We can help your organization smoothly transition retirees to Medicare or your private healthcare exchange by properly enrolling them in Medicare Parts A and B. Our specialists identify eligible plan participants, verify Medicare status and provide access to Medicare enrollment experts.

Allsup Benefits Coordination

When your organization needs to move individuals from your group health plan to other healthcare insurance options, Allsup Benefits Coordination is a key resource.

Allsup Medicare Coordination

Your organization can decrease claims costs and save thousands of dollars by becoming secondary payer to Medicare.
